## MATERICA

il tuo stile dietro  
ad ogni porta

Dalle essenze più tradizionali alle tonalità chiare e luminose, superfici di carattere con inserti e rilievi materici, la collezione Materica di Tecno Porte offre una gamma di modelli e finiture in grado di seguire e caratterizzare il tuo stile d'arredo.

# COSTRUITE PER DURARE NEL TEMPO

Una gamma di finiture  
in continua evoluzione  
e materiali di qualità

Ogni componente è realizzato e assemblato  
nel rispetto di un elevato concetto di qualità.  
Gli stipiti in laminatino di Tecno Porte  
sono prodotti con interno in listellare  
di pioppo e tutti gli accessori in multistrato  
per garantire un prodotto di altissima qualità  
e durata nel tempo.

# ESSENZE IN BIANCO

# INCISIONI DI CARATTERE

La collezione Materica di Tecno Porte si arricchisce di una nuova serie di porte incise. Giochi di geometrie, linee tese o sinuose in incavo forniscono agli ambienti un carattere unico.

MECCANICA

## FERMAPORTA MAGNETICO INVISIBILE

Il fermaporte è costituito da un magnete applicato a filo pavimento e da un pistoncino inserito nella base inferiore dell'anta che scende attratto dal magnete quando l'anta vi si sovrappone. Una soluzione minimale che evita fastidiosi ostacoli a pavimento.

## VETRI

## VETRI STAMPATI

Tecnoporte presenta la collezione di vetri stampati disponibili sia per porte in cristallo che per porte con sfinestratura. Sono 4 soggetti originali by Tecnoporte, capaci di fornire un tocco estroso ed eccentrico agli ambienti.

La gamma di vetri decorati Tecno Porte, propone soggetti dai più elaborati e particolari fino alle forme più lineari e classiche. I vetri decorati sono disponibili per porte in cristallo e per porte sfinate.
